

10/26/16 – Pippa's Sports Café

Truly a fan favorite, Pippa's Sports Café has treated guests from the greater Danbury community like all-stars since their start! Pippa's is most famously home to some of the best tasting wings in Danbury, along with continued great service and a fun, family-friendly atmosphere.

Pippa's went through some changes in 2007, when two long-time employees of the former owner took over. This included various renovations and upgrades to the beloved restaurant.

What you'll find today is a friendly staff, satisfied patrons, delicious food and you'll never miss a game because there is a TV at every table!

From happy hour specials to discounted wing nights, you can always find a good deal at Pippa's. Whether you are a regular customer or love to stop in on occasion, stay in the know by signing up for Pippa's mailing list! There you will be the first to hear about updates and special offers.

Pippa's is a great place to watch the big game or just enjoy time with friends and family. For some Danbury residents, it is a tradition to stop by with the team after a game at Rogers Park. If you haven't created memories at Pippa's yet, we don't know what you are waiting for.
